Re: Notice of Appeal by BC Processors concerning live price for Quota Period A-86

On July 23, 2008 FIRB informed the BCCMB that the BC Processors had appealed the order of the Chicken Marketing Board made July 18/08 setting the live price for chicken in Period A-86 (shipments July 20 – September 13, 2008). Processors have requested the order be set aside, and that FIRB set the price for quota period A-86.

Any interested parties wishing to be interveners to the appeal should apply for intervener status by August 15, 2008. Applications are to be made directly to FIRB. Contact Gino Nasato at (250) 356-8945. Please be advised that the BCCGA has applied for and been granted full intervener status in this appeal.

The appeal is tentatively scheduled for September 24, 2008. The appeal will be heard at a location to be announced in the Abbotsford area. Please contact Christine Rickson at the Board office for further information.

Further, the BC Processors have requested a stay of the pricing order for quota period A-86. This request was heard by FIRB on August 6, 2008. To date no decision has been rendered. Once a decision is known, it will be circulated to industry.

If you have any questions, please contact the staff at the Board Office at (604) 859-2868.

Thank you.
